A fund has been opened for the provision of a memorial to the memory of those members of the School who gave their lives in the Second World War. It is suggested that this war memorial should be incorporated in that already in the School Assembly Hall, bearing the names of those who gave their lives in the First World War. Modifications will include the provision of two new bronze tablets to be placed on either side of the stained glass memorial window, in such a way as to preserve artistic balance, the tablets to display the two groups of names in a fitting and worthy manner.

It is estimated that a sum of £250 is required, and the Committee appeal to you for your generous support in raising this amount.

Will you kindly address your donations to the Treasurer, War Memorial Committee, The County High School, Moat Road, Langley, Oldbury.

They shall grow not old, as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.
