Oldbury School Song

'Mid ceaseless toil and the swirling smoke, where the mighty furnace glows,
With night skies ablaze through the murk and the haze, the Oldbury School
arose.

Her sons and her daughters both have attained a due meed of renown. For some the hero's fame, for some the scholar's crown.

CHORUS:

So Hurrah for the Old Boys of Oldbury,
Who have built up the fame of our School,
For they played the game, we must do the same,
Until all hail the fair name of Oldbury.
Though the strife of life may be swift and keen,
Though we may find hard knocks to rule,
Heed not the praise or blame, carry on and play the game,
For we are boys (girls) of Oldbury School.

When War clouds rose, spread afar o'er the land, then her sons gave of their best,

We honour those who have paid with their lives for the safety of the rest. Her fair daughters all came forth at the call to work in Freedom's name, So let us in our turn, carry on and play the game.

CHORUS.

When games go fast and the time passes by and the goals are hard to find, And half-back and back bear the shock of attack, and forwards gasp for wind It's then gallant hearts are game to the last, no fear their strength shall tame, So strive on to the end, the glory's in the game.

CHORUS.

In years to come when we're grown stiff and staid, and we wonder how we played.

And we think of the games in the rain and the sun, and the records that we made.

We'll pause for a while and count up the score, with neither fear nor shame, We'll face our lives and say, we've always played the game.

CHORUS.
