Oldbury School Song

'Mid ceaseless toil and the swirling smoke, where the mighty furnace glows,
With night skies ablaze through the murk and the haze, the Oldbury School
arose

Her sons and her daughters both have attained a due meed of renown.
For some the hero's fame, for some the scholar's crown.

CHORUS:

So Hurrah for the Old Boys of Oldbury,
Who have built up the fame of our School
For they played the game, we must do the same,
Until all hail the fair name of Oldbury.
Though the strife of life may be swift and keen,
Though we may find hard knocks to rule,
Heed not the praise or blame, carry on and play the game,
For we are boys (girls) of Oldbury School.
